I, \_\_\_\_\_ understand that Neuromuscular Massage Therapy (NMT) given here is for the purpose of muscular spasm/tension relief related to soft-tissue dysfunction. I \_\_\_\_\_ understand the treating therapist does not prescribe medical treatment, diagnose illness, disease or any other physical or mental disorder. I have been made aware that NMT is not a substitute for medical examinations and/or diagnosis and that it is recommended that I see a physician for any physical ailment that I might have. Because the treating therapist must be aware of existing condition, I have stated all my known medical conditions and take it upon myself to keep the treating therapist updated on my physical health. I understand that regardless of insurance reimbursements I am ultimately responsible for full payment of my account and payment is due at the time services are rendered. I understand that there is a 24 hour cancellation policy, and there will be a charge for late cancellation.
